New London Harbour Towers' Premier Opening week attracted over 1,200 people during 6 days of events. Every day featured a prize-filled scavenger hunt designed to help guide visitors through the 52-unit residence. Faddy's Donuts made over 2,300 donuts on site during the opening.

"We were overwhelmed with the response and feedback during Premier Opening week," said Anthony Silvestri, project manager of New London Harbour Towers. "New London Harbour Towers is now officially open and we invite those who couldn't be here during the festivities, to come by and have a tour of our building."

New London Harbour Towers offers many amenities for the buyer looking for "luxury with an urban edge" and was recently awarded "Community Revitalization Project of the Year" from the Chamber of Commerce of Eastern Connecticut. New London Harbour Towers is located at 463 Bank Street, in New London.
